SUPPLIER PARTICIPATION SPOTS ARE LIMITED

To ensure that the directors and owners are seeing the range of products they've come to source within the 48-hour time frame, we limit the number of suppliers and product categories at our event.

- ✓ Your competition is also limited
- ✓ Take this opportunity to condense six months of sales meetings into two days of highly-focused meetings with the right decision-makers
- ✓ Don't miss out – reserve your space today

A Custom Agenda of Guaranteed Meetings

At the Parks & Recreations Summit, you will engage with participants who applied for admission. These attendees have been interviewed, vetted, and are actively seeking your solutions. Due to the unique format of this event, there is little time when you are not engaged in guaranteed meetings with decision-makers. By participating, you will meet and work with these high-quality prospects in a way that drives your business like no other event.

"One of the valuable things was learning about items that I did not know existed. Now that I know I can both purchase and utilize them to benefit the public."

"The amount of time intermingling with suppliers made it extremely comfortable to really discuss the needs of my staff. Proposing ideas TO a supplier just never happens in a trade show/conference type setting. The conversation usually is about products that are already in existence."

"I enjoyed how the Summit was designed so that everyone could interact with one another. The assigned seating at dinners and lunch was a great way to meet in a casual setting. Interacting with the vendors on a personal level and not just walking by a booth was amazing!"
